

OSMO provides high-touch, concierge advisory services for **caregivers and their families** using technology, expert support, coordinated collaboration, and financial products to help you **secure the right care for your aging loved one and find the best option to pay for it.** We're **FIXERS**—we'll get it done right.

#### WE'RE HERE TO HELP YOU SOLVE SENIOR CAREGIVING CHALLENGES

*Caregiving can be messy and it's really, really hard.* **OSMO Services** is a no-charge company-sponsored benefit for working caregivers who are juggling work, home, and caregiving responsibilities. It's **FAST, FREE to use,** and part of your employer's commitment to your health and well-being.

Contact your personal concierge Care Manager to get started NOW

 Call (877) 581-6959 or email [www.support@osmoadvisory.com](mailto:www.support@osmoadvisory.com)

Hours: Monday - Friday, 9:00 am - 5:00 pm ET

#### OSMO Finds CARE

1:1 personalized support through your concierge Care Manager connects you with trusted, vetted, and safe home care for your aging loved one or finds you the right community-based care option.

#### A Way to Pay For It

Our Financial Specialist helps you understand care costs and provide options on how to pay for it now, and over time. OSMO provides advice AND real solutions for paying for senior care.

#### Bringing the FAMILY Care Team Together

Everyone has a role and openly discusses tasks and responsibilities assigned in ASTRID, our technology collaboration, coordination, and communication hub. ASTRID keeps the team on track and informed 24/7.

*OSMO empowers working caregivers to better manage their work, family, and home responsibilities while responding to their aging loved one with intelligence, compassion, and grace.*
